# YOUR MEDICAL RECORDS

If you have any of your medical records, send or bring them to our office with this completed report. Please tell us if you want to keep your records so we can return them to you. If you are having an interview in our office, bring your medical records, your prescription medicine containers (if available), and the completed report with you.

YOU DO NOT NEED TO ASK DOCTORS OR HOSPITALS FOR ANY MEDICAL RECORDS THAT YOU DO NOT ALREADY HAVE. With your permission, we will request your records. The information that you give us on this report tells us where to request your medical and other records.

# WHAT WE MEAN BY "DISABILITY"

"Disability" under Social Security is based on your inability to work. For purposes of this claim, we want you to understand that "disability" means you are unable to work as defined by the Social Security Act. You will be considered disabled if you are unable to do any kind of work for which you are suited and if your disability is expected to last (or has lasted) for at least a year or is expected to result in death. So when we ask "when did you become unable to work," we are asking when you became disabled as defined by the Social Security Act.

# Privacy Act Statement Collection and Use of Personal Information

Sections 205(a), 223(d), 1614(a), and 1631 of the Social Security Act, as amended, allows us to collect this information. Furnishing us this information is voluntary. However, failing to provide all or part of the information may prevent an accurate and timely decision on any claim filed.

We will use the information to determine eligibility for benefits. We may also share your information for the following purposes, called routine uses:

- To contractors and other Federal agencies, as necessary, for the purpose of assisting the Social Security Administration (SSA) in the efficient administration of its programs; and
- To applicants, claimants, prospective applicants or claimants, other than the data subject, their authorized representatives or representative payees to the extent necessary to pursue Social Security claims and to representative payees when the information pertains to individuals for whom they serve as representative payees, for the purpose of assisting SSA in administering its representative payees, including receiving and accounting for benefits for individuals for whom they serve as payees.

In addition, we may share this information in accordance with the Privacy Act and other Federal laws. For example, where authorized, we may use and disclose this information in computer matching programs, in which our records are compared with other records to establish or verify a person's eligibility for Federal benefit programs and for repayment of incorrect or delinquent debts under these programs.

A list of additional routine uses is available in our Privacy Act Systems of Records Notice (SORN) 60-0089, entitled Claims Folders System, as published in the Federal Register (FR) on April 1, 2003, at 68 FR 15784, and 60-0320, entitled Electronic Disability Claim File, as published in the FR on December 22, 2003, at 68 FR 71210. Additional information, and a full listing of all of our SORNs, is available on our website at www.ssa.gov/privacy.
